 <https://www.linkedin.com/in/andrea-parziale-84329167/>

Sex Male | Date of birth 09/03/1991 | Nationality Italian

## WORK EXPERIENCE

01/2021–Present

## Post Doc Researcher

EURAC RESEARCH, Bozen (Italy)

Working as a legal expert in biomedical research for the CHRIS-2D Project population study within the ELSI Group of the Institute for Biomedicine.

- Support building the legal and ethical framework and the governance system.
- Analyse and verify current regulations.
- Contribute to writing legal documents.

09/2020–Present

## Adjunct Professor

LUISS GUIDO CARLI UNIVERSITY, Rome (Italy)

Teaching in the first module of the “Markets, regulations and law” course within the LUISS Department of Business and Management.

- Delivering lessons in English on law, economics and regulation for a class of about 150 international graduate management students, including refugee students within the ‘Mediterraneo’ project in partnership with the University of Petra.
- Providing student support and tuition.
- Assessing students.

Average student evaluations:

- 2020/2021: 8.44/10.00 (higher than average evaluation of the masters’ program: 8.03/10.00)

09/2020–12/2020

## Postdoctoral Researcher

SANT’ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Conducting research within the Strategic Project of the Institute of Law, Politics and Development (DRIPOLIS) “Regulation, science and technology for health and innovation: mapping grey areas to enable research and innovation in an inclusive society”.

Using as a testbed the OPT-HepaC project, aimed to increase HCV active testing coverage among population groups at higher risk or higher burden of disease, based on available epidemiological data and performing longitudinal, cross-sectional and population-specific analyses to assess the continuum of care for HCV patients.

Collaborating with the LIDER Lab research lab in the following research areas (in brackets the main research expertise):

- ETHOS - Ethics & law with and for research (data protection, biobanks, ethics issues in involving human subjects in scientific research).
- Health law (pharmaceutical regulation).
- Personal injury law (medical malpractice).
- Law, science and technology (cognitive sciences and law, regulation and competition in niche markets).

- Competition law.
  
- 05/2019–05/2020 **Associate**  
 DE MATTEIS LAW, Rome (Italy)

Working within a boutique law firm advising a major international payment scheme on EU competition law and regulatory matters, including PSD2, RTS and IFR.
  
- 03/2019–08/2020 **Scientific collaborator**  
 LIDER LAB, SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Collaborating with the LIDER Lab research lab in the following research areas: ETHOS - ETHics & law with and fOr research; Health law; Personal injury law; Law, science and technology; Competition law.
  
- 10/2015–03/2019 **Research assistant**  
 SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Working with an interdisciplinary team of researchers within the LIDER Lab research lab with a focus on comparative law, law and health, law and technology, competition law and civil liability and regulation.

  - Publishing peer-reviewed articles (see below [Publications](#)).
  - Giving lectures to undergraduate law students and legal professionals.
  - Giving presentations at conferences at academic institutions in Italy, France and Ireland.
  - Working within national and EU-funded research projects.
  - Providing advice in support of SMEs and NGOs.
  
- 03/2014–Present **Reviewer – associate staff**  
 OPINIO JURIS IN COMPARATIONE, Pisa (Italy)

Working with a team of reviewers for an open access international comparative law journal.

  - Evaluating/reviewing submissions.
  - Editing scientific articles.
  
- 10/2018–04/2019 **Associate**  
 WILLKIE FARR & GALLAGHER, Milan (Italy)

Worked with a team of associates and partners within an international full-service law firm.

  - Drafted legal advice for Italian and international corporations on personal injury litigation, pharmaceutical regulation, corporate governance and real estate matters.
  
- 09/2018–12/2018 **Teaching assistant**  
 LUISS GUIDO CARLI UNIVERSITY, Rome (Italy)

Assisted the Adjunct Professor as instructor of the 'Markets, regulations and law' course within the LUISS Department of Business and Management.

  - Delivered lessons on competition law and pharmaceutical regulation, as well as neurosciences and the law, for a class of about 140 international graduate management students.
  - Provided student support and tuition.
  - Examined and marked students.
  
- 11/2017–04/2018 **Intern**  
 World Health Organization, Venice (Italy)

Interned for 6 months under the supervision of the Head of Office within the European Office for Investment for Health and Development.

- Drafted a report on the impact of trade agreements on States' policy space to regulate and invest for public health and sustainable development, particularly on the impact of intellectual property rights protection on global access to medicines.
- Managed official social media accounts of the Head of Office.

10/2016–10/2019 **Teaching assistant**

University of Pisa, Pisa (Italy)

Worked alongside the Professor within the Law Department at the "Private Law II" course (contracts and torts) for classes of about 100 undergraduate law students.

- Delivered lectures on private law foundations.
- Provided student support and tuition.
- Examined and marked students within a team of examiners.

10/2015–04/2017 **Trainee lawyer**

Alberto Giovannelli (Bar association of Pisa), Pisa (Italy)

Interned at a local law firm in preparation for the bar exam.

- Drafted legal advice on private law matters (mainly personal injury litigation).

EDUCATION

---

10/2015–03/2019 **PhD in Law**

110/110 cum laude

SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Three-year doctoral program. Thesis on civil liability and regulation in off label uses of medicines in the EU, France and Italy.
